

A REPORT ON NGC ACTIVITIES IN TAMILNADU DURING 2004-2005

National Green Corps (Eco-clubs): An Overview

We all know that we are part of the environment we live in. The solution to many environmental problems lie in our attitude towards environment. Be it awareness to keep our surroundings clean or the realization to conserve natural resources by re-using and recycling wherever possible, they all are attitudinal. On the surface, it looks simple; but changing the attitude of one billion people is not going to happen overnight. The best way to attempt to bring about a change in the attitudes in the society is through children. They have no vested interests; they are impressionable; they are our future. They are the single most important influence in any family. With this realization the Ministry of Environment & Forests, Government of India decided to launch the National Green Corps Programme (NGC).

Government of India started the NGC Programme in the Tenth Five Year Plan. The objectives of this National programme are to educate children about their immediate environment to impart knowledge about the intricacies of the eco-systems, through field visits to instill in them the spirit of scientific inquiry into environmental problem and involve them in the efforts of environmental conservation.

The NGC programme was successfully launched in 29 districts of Tamilnadu during 2002-2003. But the Department of Environment was one of the pioneers in starting eco-clubs in 1260 schools spread over all the districts of Tamilnadu within the State Government fund even before NGC programme came into being. The Master Trainer for each district and teacher coordinators for 100 schools in each of the 29 districts were selected by the respective chief educational officers. Another 50 more schools from each district were added during the year 2003-2004. The new Krishnagiri District was added subsequently. Presently there are NGC Eco-clubs in 4350 schools in all the 30 districts @ 150 per districts. This apart the State Government funded eco-clubs are functioning in 1000 schools. The total number

of students enrolled in these activities is over 2.50 lakhs making it a massive student environmental movement in the recent times.

The main objective of NGC is to create Environmental Consciousness in the young minds to make TamilNadu clean and green. The children are involved in nine major activities under this programme. This include:

- a) Keeping the school campus clean.
- b) To segregate the solid waste and compost biodegradable waste.
- c) Recycling of paper and plastic waste
- d) Tree Planting
- e) Rainwater Harvesting
- f) Conducting Environmental rallies on World Environment Day, Ozone Day, etc.,
- g) Conducting Environmental quiz, essay, oratorical and painting competitions on environmental conservation
- h) Conducting nature camps
- i) Activities towards conservation of air, land, water, forests and biodiversity

The State Level Steering Committee and District Level Monitoring Committees have been constituted. The State Level Steering Committee has met six times so far and reviewed the progress of the scheme. The Members of State Level Steering Committee are as follows:

- | | | | |
|-----|--|---|----------|
| 01. | Secretary to Government,
Environment & Forest Department,
Government of Tamil Nadu | - | Chairman |
| 02. | Director of School Education, Chennai, | - | Member |
| 03. | Member Secretary,
Tamil Nadu Pollution Control Board, Chennai | - | Member |
| 04. | Director of Collegate Education, Chennai | - | Member |
| 05. | Director of Elementary School Education, Chennai | - | Member |
| 06. | Director, C.P.R. Environmental Education Centre
Chennai | - | Member |

07.	Programme Officer, Centre for Environment Education, Tiruppur	-	Member
08.	Head Department of Environmental Sciences, Tamil Nadu Agricultural University, Coimbatore	-	Member
09.	Director, Centre for Environmental Sciences, Anna University, Chennai	-	Member
10.	Director, Department of Environment, Chennai	-	MemberSecretary

Activities performed under the scheme:

- The field activities undertaken include Nursery raising, Tree Planting, Solid Waste Management, Rain Water Harvesting, Cycle Rallies, Awareness Campaign and Nature Camp. Several environmental competition and enviro exhibition were held as a part of NGC activities.
- **Training on Bio-diversity** was given to selected NGC teacher coordinators and students by **Dr.K.M. Mathew at "Anglade Institute of Natural History"**, at Kodaikanal over 56 participants, were trained in the said training programme between 16th and 18th February 2004, which also included a **Nature Camp**.
- World Environment Day was celebrated on June 5, 2004 in a grand manner. An awareness rally was conducted from the Panagal Building to the Periyar Science City involving 300 NGC students. The school children performed an excellent cultural programme on this year's World Environment Day Theme **"WANTED! SEAS AND OCEANS - DEAD OR ALIVE?"** at the TNPCB Pavilion at the Science City. The NGC students were also taken around the Planetarium subsequently.
- Locally relevant materials, posters and stickers have been printed in regional language and distributed to the NGC schools.

- One day Training Programme for Master Trainers and District NGC Co-ordinators was conducted at Coimbatore on 10th September 2004.
- Two workshop was conducted for NGC Teacher Co-ordinators of Chennai, Tiruvallur and Kancheepuram districts on Biodiversity Conservation at Guindy National Park, Chennai on 5th and 6th October 2004
- A one day training programme was conducted to all Chief Educational Officers of Tamil Nadu in the Directorate of school education on 14.12.2004. Dr.S.Balaji,I.F.S, Director of Environment, gave a presentation and clarified the queries raised by the participants.
- Refresher training to the Teacher Coordinators of all the 150 schools of Chennai, Tiruvallur, Sivagangai, Trichi, Vellore, Theni, Tirunelveli, Virudhunagar, Villupuram, Nagapattinam, Ramanathapuram, Thanjavur, Cuddalore, Dindigul, Namakkal, Karur and Kanyakumari districts were conducted during 2004-2005
- An awareness trial to appreciate rich coastal diversity was organised by the Department of Environment along the coastal area from Nallur - Marakkanam to Tindivanam over 60 kms to reenact the epic trial of Sirupanatrupadai a Tamil Poem written 1800 years ago. Hundreds of NGC students took part in it.
- **Awareness Against Burning Of Tyres During Bhogi Festival:-** Anti-tyre burning campaigns have been conducted by the NGC students of various schools in Chennai city during Bhogi day celebration during January 2004 and 2005. All the student eco-club members of 20 schools in Chennai District were participated in the “Smokeless Bhogi Campaign” 2005 between January 10 and 12 of 2005.

Financial Assistance:

<i>Year</i>	<i>No of schools</i>	<i>Amount Released</i>
2002-2003	288 5	Rs 14,42,500
2003-2004	4350	Rs 43,50,000
2004-2005	4350	Rs.43,50,000

Monitoring:

Monitoring of NGC activities was done through selected District Eco-club Co-ordinators/Master Trainers in all the 29 districts. They have done extensive monitoring visiting each school and getting a factual report on the functioning of NGC in all the schools in the district. Besides the officers of this department interact with the Chief Educational Officer's, District co-ordinators, Master Trainers and Teacher Co-ordinators through refresher training programme.

Conclusion:

NGC has grown into a Mass Movement in Tamil Nadu. Over 4350 schools are covered under NGC and Eco-clubs in Tamil Nadu. There are 2.00 lakh children enrolled in these schools. As a part of eco friendly action programme, schools have established Rain Water Harvesting and Vermi Compost Pits in their schools. Several specialised programmes for selected teacher co-ordinators were organised during 2004-2005 to enhance their understanding and capability in environmental conservation. The State Steering Committee on NGC had given valuable guidance to make NGC more effective among the school students of Tamil Nadu. The challenge is nevertheless enormous but our relentless work continues till achieve the objectives.

**MINUTES OF THE FIFTH MEETING OF THE STATE LEVEL STEERING COMMITTEE
OF NGC HELD ON 23.07.2004**

....

**AGENDA ITEM NO.1: CONFIRMATION OF THE MINUTES OF THE FOURTH
STEERING COMMITTEE MEETING**

The State Level Steering Committee (SLSC) confirmed the minutes of the last meeting as there were no exceptions.

**AGENDA ITEM NO.2: REPORT ON THE FOLLOW UP ACTION ON THE
PREVIOUS MINUTES**

The SLSC was informed about the disbursement of grant and issue of certificates to NGC schools through the Chief Educational Officers (CEOs) of 29 districts and the training programme proposed to be taken up during July 2004. The Director of School Education was requested to include monitoring the NGC activities in schools as an agenda item in the monthly review conducted by CEO and also report the outcome at the time of review by the Director of School Education every month. The Director of Elementary School Education has been requested to send proposal for giving training to selected block resource centre coordinators on environment.

AGENDA ITEM NO.3: DISBURSEMENT OF GRANT

The SLSC agreed to the proposal of releasing grants through the concerned CEOs of the districts as done during 2003-04, once the grants are received from the Government of India.

AGENDA ITEM NO.4: FINANCIAL ASSISTANCE TO MONITOR NGC ACTIVITIES

The SLSC approved the enhanced compensation from Rs.5000/- to Rs.7500/- to the District Coordinators or Master Trainers for monitoring the NGC activities in 150 schools in each district during this year.

AGENDA ITEM NO.5: PROVIDING ARM BANDS

The SLSC approved sending proposals for an amount of Rs.9.00 lakhs to Government of India for providing green arm bands to 1,80,000 NGC students at the rate of Rs.5/- per arm band.

AGENDA ITEM NO.6: PROVIDING NOTICE BOARD TO SCHOOLS

SLSC approved sending the proposal for Rs.18.00 lakhs to Government of India for providing 4500 notice board/name boards for NGC schools @ Rs.400/- per board.

AGENDA ITEM NO.7: TRAINING TO TEACHER COORDINATORS

Government of India had provided Rs.25,000/- per district last year to provide training for teacher coordinators at the district level. Now, there are 150 teacher coordinators in each district. In order to provide one-day training programme on environmental conservation to all the teacher coordinators @ 150/- per district an amount of Rs.25,000/- will be required for each district. SLSC approved the proposal to be sent to Government of India for financial assistance to the tune of Rs.7,50,000/- for covering 30 districts.

AGENDA ITEM NO.8:

SLSC viewed with displeasure that only five CEOs have reported about the disbursement of grant from the Directorate of Environment. Another two CEOs have acknowledged the receipt of the grant. But twenty two CEOs have neither acknowledged nor submitted a report to the Director of Environment on the disbursement of the NGC grant to the schools. SLSC directed that the CEOs may be instructed to disburse the amount to the schools in cash and report to the Director of Environment before 15.8.2004. They may also send the utilization certificate by e.mail to tndoe@md3.vsnl.net.in followed by a hard copy by post.

AGENDA ITEM NO.9: ONE-DAY WORKSHOP TO CEOs ON NGC AND ENVIRONMENTAL CONSERVATION

SLSC approved the one-day workshop proposed for CEOs and Master Trainers. Dr. Nagendran, Member, SLSC suggested that some training modules could be formed for NGC teacher coordinator training so that the quality of training is uniformly good in all the districts.

GENERAL

Tmt. Archana Dange of Centre for Environment Education (CEE), suggested that radio programme could be organized to popularize NGC. The Chairman pointed out that environmental conservation could be incorporated in the existing programmes in All India Radio in AM and FM channels in the state. Besides on experimental basis, broadcasting such youth programme, women programme and farmers programme, couple of exclusive programmes for NGC could be taken up.

The Director of School Education and Director of Elementary School Education were requested to provide a district-wise list of schools available in Tamil Nadu. As some of the small districts like Dharmapuri, Thoothukudi do not have 150 High Schools, the programme can be extended to the middle schools having VI, VII and VIII Standards.

The Director of Environment informed that the NGC schools and CEOs have been requested to make use of E.mail for sending their reports and also students' contribution for NGC online newsletter.

The Director of Collegiate Education wanted that the NGC programme is extended to more number of colleges.

Tmt. Archana Dange of CEE suggested that water could be taken as a theme for the current year. Such a focus is desirable. However the Chairman said that this will not preclude other environmental issues being discussed in the NGC Fora.

While concluding, the Chairman thanked the participants for the views and said that NGC being a large programme with limited funding, several innovations are required to achieve the objectives of the programme.

Member Secretary,
NGC Steering Committee &
Director of Environment, Chennai

Chairman,
NGC Steering Committee &
Secretary to Government,
E & F Dept., Chennai - 9

MINUTES FOR THE SIXTH MEETING OF THE STATE LEVEL STEERING COMMITTEE OF NGC HELD IN THE CHAMBERS OF THE SECRETARY TO GOVERNMENT, ENVIRONMENT & FORESTS DEPARTMENT ON 04.03.2005

AGENDA ITEM NO.1: CONFIRMATION OF THE MINUTES OF THE 6TH STEERING COMMITTEE MEETING

The State Level Steering Committee (SLSC) confirmed the minutes of the last meeting held on 23.07.2004

AGENDA ITEM NO.2: REPORT ON THE FOLLOW UP ACTION TAKEN IN RESPECT OF THE DECISIONS TAKEN IN THE PREVIOUS MEETING

The Member Secretary of the NGC Steering Committee and Director of Environment briefed the members about the present stage of the follow-up action taken on the decisions taken at the 5th Steering Committee meeting of NGC.

AGENDA ITEM NO.3: DISBURSEMENT OF GRANT

The State Level Steering Committee agreed to the proposal of releasing grants through the concerned Chief Educational Officers of the districts as done during the previous years, once the grants are received from the Government of India.

AGENDA ITEM NO.4: CERTIFICATE TO THE MEMBERS OF NGC

The State Level Steering Committee approved sending proposals for the grant of Rs.2.00 lakhs, to Government of India for printing and supplying certificates to NGC teacher co-ordinators and NGC student members at the time of closure of academic years.

AGENDA ITEM NO.5: VIDEO DOCUMENTATION

State Level Steering Committee agreed to the proposal of Video documentation of NGC activities through a short video film for 15-20 minutes covering the objectives of NGC, activities of NGC students and progress of Environmental Awareness in Tamil Nadu.

AGENDA ITEM NO.6: **PROPOSAL FOR ENHANCEMENT OF ASSISTANCE TO
NGC ECO-CLUBS**

State Level Steering Committee approved sending proposals to the Government of India for the enhancement of the grant to @ Rs.5000/- per school per year so as to enable the schools to perform environment awareness related activities effectively, as suggested.

AGENDA ITEM NO.7: **AUDITING OF NGC ACCOUNTS**

The State Level Steering Committee approved to engage M/s. N.R. Suresh & Co., the Chartered Accountant for auditing of NGC accounts for the year 2004-2005.

AGENDA ITEM NO.8: **GENERAL**

The following activities were suggested in the meeting, for the effective implementation of NGC objectives and also for creating Environmental Awareness among the students.

- i) The Chairman suggested a morning song on Environment, personal health and hygiene could be introduced in all schools, during the morning prayers, and important school functions such as sports day, annual day, cultural day etc. with the duration of two or three minutes. At the first instance, the schools may be develop songs on their own at school level for this purpose. In due course, a common song may be developed by holding suitable song competition for this purpose.

The committee also requested the CPR and CEE to prepare suitable songs, for consideration.

- ii) Students may be encouraged to plant colourful tree saplings of the flowering trees such as 'Sarakkonnai' and the trees which grow faster.
- iii) The techniques of Rain Water Harvesting, Vermi Composting and conservation of water resources may be taught to children.
- iv) Director of School Education and Chief Educational Officer may include progress in NGC activities while conducting their monthly review with the Chief Educational Officers and Head Masters respectively.

- v) Joint Director of Teachers education wanted eco-clubs to be started in 280 Teacher Training institutions in the State. This was agreed to by the Steering Committee. Additional funds may be obtained from the Government of India for this purpose.

CONSOLIDATE REPORT OF COIMBATORE DISTRICT

This year, the Department of Environment, Government of Tamil Nadu decided to conduct a one day planned workshop for the NGC Coordinators and Master Trainers of the 29 districts of Tamil Nadu in collaboration with Centre for Environment Education Tamil Nadu State Cell.

One of the suggestions put forth by Centre for Environment Education was that in 2005 perhaps the NGC schools could focus on the issue of water as a central theme. All activities and action programmes could be related in some relevant way to the theme. The Director, Department of Environment, accepted this and the workshop was planned to work towards a theme based approach to NGC action in Tamil Nadu State.

COIMBATORE

Sl. No	Name of the School	Seminar/ Talk/ Debate	Camp/ Field Visit	Plantation/ Cleanliness Drive	Awareness by Rallies etc.,	Other Environmental Activities

CONSOLIDATED REPORT OF KANYAKUMARI DISTRICT
MAJOR ACTIVITIES

TSUNAMI RELIEF WORK:

Some of the NGC members like St.Mary's School, Asaripallam took part in the removal of tsunami hit debris. Likewise St. Mary's Higher Secondary School, Kaliyal conducted one day seminar on disaster management. They have mainly concentrated on green belt shelter and its impact on protecting the environment.

The department of environment sponsored of one day workshop on Tsunami was also found useful to participant teachers to know more about Tsunami and disaster management.

ENVIRONMENT TASK FORCE:

In some schools, the NGC members are used for the services required in the school function. For this special badges were prepared and used by the NGC members for their identity.

TREE PLANTING:

Most of the schools adopted this practice. In their campus they have planted sapling on specific days related to environmental awareness. Saplings were bought from the financial assistance provided to the schools. Photographs are enclosed in the appendix.

ECO-TOUR:

Two school NGC members have visited forest region of their district. Viz the NGC members of Govt. High. School, Moolachal. Also the Government Higher Secondary School (Boys) Marthandom. These visits have made them to understand the forest environment and the role of NGC members in conservation of forest eco system.

COMPETITIONS ON ENVIRONMENTAL TOPICS:

Most of the schools have conducted oratorical, essay, drawing competitions on environmental topics. Prizes were given from the financial assistance given to the school. R.P. Hindu Vidhyalaya, Thuckalai has taken this venture. There are few other schools also conducted similar competitions.

ENACTMENT BY NGC MEMBERS:

On selected topics like water conservation, plastic abolition, sanitation etc were the central theme. The members were showed this enhancement during their school functions and also in the environmental camp also.

MEDICINAL PLANT GARDEN:

In some school atleast 50 medicinal plants have been taken. The plant name, their medicinal properties etc were taught to them. In this venture greens (Kerai) were also cultivated and their nutritive value taught to them. In turn members have conveyed this message to their school mates.

VERMI COMPOSTING:

Technical know how farming concept to better soil environment has been inseminated. Three schools have been supported by the directorate to have vermi composting pit. They completed and still it is on going. They use the manure for their school garden. Govt. Hr.Sec.School, packet the worm casts and sell them to the public.

RAIN WATER HARVESTING:

Two NGC schools were provided with financial assistance to construct R.W.H Pits. It has been constructed and these concepts were also demonstrated to NSS students and these students have explained this important message to rural people where they had the NSS camp.

VISIT TO ZOOLOGICAL GARDEN:

NGC members of a few schools visited zoological garden at Thiruvananthapuram. The animals in captivity were identified by the members. Most of the NGC students have never seen some of the live animals before they visit the zoo.

PLASTIC ABOLITION:

This concept of plastic refusal has been adapted by many NGC members. They never bring any edible or other kind of materials in poly bags to school. The school campus has been declared as plastic free zone. This message also was taken by NSS volunteers through NGC members to rural people during NSS camp.

SEMINAR ON DISASTER MANAGEMENT:

After Tsunami the disaster has been made known to all students. NGC members had a seminar on this particularity St. Mary's Hr.Sec.School, Kaliyal. Nearly 150 students participated. Few NGC members of various standards spoke on selected topic related to disasters. Jury of Judges assessed the contest and prize winners. (I or II) were given with prizes and certificates. District co-ordinator was present in this seminar and happy to know that the students collected various information related to Tsunami.

SCIENCE EXHIBITION:

Various schools have organised science exhibition. Among various stalls, environment related stalls were also kept the themes covering air and water pollution, the mechanism of wind mill and rainwater harvesting, organic farming and vermicomposting are some of them.

ROAD SAFETY AWARENESS:

NGC members of LMS (G) and Govt. Hr.Sec.School, Marthandam took part in creating awareness road safety among the public.

ORIENTATION PROGRAMME:

Orientation programme was also conducted by the SEED for school co-ordinators in which the aims and objectives of NGC was stressed. This programme was held on 29.01.2005, under the instruction of environment directorate.

The orientation programme was organised on 29.01.2005 in S.L.B. Govt. Hr.Sec. School, Nagercoil

CONSOLIDATED REPORT OF NAMAKKAL DISTRICT

TEACHERS TRAINING:

In each school incharge teacher will be selected and trained in their district itself incharge teacher of Ecoclub plays a key role in implementing the scheme. During the training program she/he get various information on how to implement the program in their school. Some of the important step to take while implementing the program which are as follows:

- ❑ Every week for one hour Eco club members will assemble and discuss to take up some activity in their school and also in the village where school is located.
- ❑ During Eco club meeting teachers should encourage the students to suggest activities for the forthcoming weeks and make a list of it. To make them necessary preparations for their execution in consultation with the Head Master or Principal.
- ❑ Motivate the student to conduct environmental related activity in every month.
- ❑ Incharge teacher should send their monthly activity report to the District co-ordinator.
- ❑ Incharge teacher will motivate the Eco-club student members to conduct action oriented programs like rally, yatra, cycle rally etc. to emphasize on environmental issues.
- ❑ Eco-club members will collect environmental news from the newspapers/magazine and read it during the prayer or school assembly time.
- ❑ Eco club members will place the new clippings in notice board of this respective school.

Feed of Monitoring:

Most of schools are involved in tree plantation, campus cleaning and competition. Only very few schools place NGC scheme name board. Most of the schools have no water facilities they are facing difficulty in maintaining the trees.

CONSOLIDATE REPORT OF SIVAGANGAI DISTRICT

Among 150 schools of our District we covered NGC in

Govt. Hr.Sec.Schools	-	18
Private Hr.Sec.Schools	-	51
Govt. High.Schools	-	69
Private High.Schools	-	12
Total	-	150

Within this 150 schools:

High schools for boys only (4+2) in Govt. and Private	-	6
Higher Secondary Schools for boys only (3+1) in Govt. and Private	-	4
High School for Girls only (5+2) in Govt. and Private	-	7
Higher Secondary Schools for Girls (2+7) in Govt. and Private	-	9
Total	-	26

Training Programme:

We are teaching the teacher co-ordinators about

- 1) Air Pollution
- 2) Water Pollution
- 3) Land Pollution
- 4) Mind Pollution
- 5) Sound Pollution
- 6) Pollution on sangam periods
- 7) Recycling of waste materials and vermiculture methods
- 8) Medicinal plants and its environmental control
- 9) Watershed Managements & smokeless chulas
- 10) Methods of publicity and Local problem
- 11) General Health connected with environment
- 12) Degraded plants and disappearing animals
- 13) Water harvesting

The teacher co-ordinators conducting programmes to the students about:

- 1) Air pollution
- 2) Water pollution
- 3) Sound pollution
- 4) Land Pollution
- 5) Recycling of waste materials and plastics
- 6) Tree plantations
- 7) Protection of small animals
- 8) Eradication of cruelty to animals
- 9) Local environmental problems
- 10) Keeping the schools clean
- 11) Water harvesting
- 12) Waste land development

Thus almost all the students of sivagangai District were motivated towards pollution and environmental problems.

Resource Materials Issued to All the 150 Schools

In connection with the above training, we supplied the following books, Posters and other essential to all the 150 schools on **free of cost which was supplied by the Department of Environment in Tamil Nadu.**

- 1) Environmental concerns of India to all 150 schools
- 2) Bio-Diversity to all 150 schools
- 3) Teachers training kit to all 150 teachers
- 4) Hand book to all 150 teachers
- 5) This is my world (printed cards) 300 cards to each of all 150 schools.
- 6) Posters 5 sets to all 150 schools
- 7) Home health 15 pages to all 150 schools
- 8) Waste Management to all 150 schools
- 9) Water harvesting to all 150 schools
- 10) Printed pamphlets 150
- 11) Waste recycling to 150 schools
- 12) Water-to all 150 schools
- 13) For good health Environment to all 150 schools
- 14) Water Testing kit to all 150 schools

The above resource materials are highly useful and utilised by the teacher co-ordinators.

During the training programmes to school co-ordinators we discussed the pollutions regarding air, water, sound and land. Recycling of waste materials Biodegradable and non-bio degradable materials like plastics, etc., vermicompost, Rainwater harvesting, kitchen garden, tree plantation, publicity through folk songs and street play etc.,

DURATION OF THE TRAINING PROGRAMME:

We gave training to the teacher co-ordinators as follows

Date:14.08.04 Saturday from 9AM to 5PM

Target assigned : 150 teachers

Target achieved : 150 teachers

ECO-TOUR AND FIELD VISIT:

The following schools conducted Eco-tour programmes during the year 2004-2005

1. Govt. High. School, Alavadangan : Vaigaidam, Surulifalls
Thekkadi, Meenakshi temple
2. Govt. Hr.Sec.School,Kattikulam : Trichy-Survey conducted about
cauveri river pollution
3. Govt. Hr.Sec.Schol, Ariakkudi : Tour to Kodaikanal with 50
students and 5 staff visited the
Ecopark at Anglet Natural
History at Shenbaganoor
4. Sambaviga Hr.Sec.School, : Eco Tour to kodaikanal,
Senbaganooore Raginipatti
5. Chidambaram Chettiyar Girls, Hr. : Eco Tour to Thiruvananthapuram
Sec School, Kottaiyur Kanyakumari to discuss about
pollution of seashore areas
6. Govt. Adi Dravidar High School, : Eco Tour to Ooty, Kodaikanal
Athikaram
7. Punitha Mariannai Hr.Sec.School, : Eco-Tour to Virakanoor Dam to
Rajakambiram study about water
pollution
